### Angel Food Ministries

This is an outreach ministry of Trinity Evangelical Lutheran Church to assist people during difficult economic times to keep quality food on their tables. Through the cooperative buying power of thousands of churches, we are able to help people purchase groceries well below retail cost.

### Order Process

#### Facts:

- Angel Food Ministry is a USDA approved program
- This is a national program operating in 34 states in the United States
- The food items are straight from the grocery warehouse just like retail stores
